SUPERSTAR

Work the problems to the right and find the correct answers below. Connect the dots in the same order as the problems are numbered. After every four dots, lift your pencil and begin again with the next dot (do NOT connect dot 4 to the next dot 1.) You may go through the same dot more than once.

THIS PUZZLE WILL MAKE YOU A STAR!

DIRECTIONS:

Each of the two blocks below is divided into 18 boxes. Boxes in the top block contain problems and boxes in the bottom block contain the answers. Work any problem and find your answer in the bottom block. Then write the word from the problem box into the answer box. Keep doing problems and you will spell out a funny saying.
